"First Presidency's Young Adult World Tour"

*"Young adults, the church needs you. We need you now.
We need you to help us become who we are all yearning to become."*

— President Steve Veazey, "A Defining Moment" Address, April 5, 2009

The First Presidency of Community of Christ is going on world tour to meet up with **young adults** everywhere. The Presidency wants to hear our voices. They want our vision for Community of Christ. This is **visionproject**.

All **young adults (18-35ish)** are invited for a special event!

Chat with a church president • give your perspective • worship • fun • food • friends

- How is Jesus Christ relevant in our world now?
- Where is the greatest need for Community of Christ ministry in the world today?
- What new ministries or methods will it take to make it happen?
- How will we step up and take the lead?
- How can the church be more relevant for young adults?
